Notes

- **Finished Size** - The finished heart when stuffed is around 6.5cm high x 6.5cm wide.
- **Knit Flat** - The heart is worked flat (knitting back and forth) on straight needles.
- **Gauge** - Don't worry too much about gauge for this pattern. The gauge of the heart I made is 4 sts/ 6 rows in 1 inch.
- **Cast on** - You can cast on using the thumb method or long-tail cast on for this project.
- **The seams** - use the mattress stitch to sew up the seams of the heart.
- **Yarn choice** - Any DK yarn/ Lightweight 03 yarn will be ok to use for this project. Stash busting your leftovers is great as you need less than 10g per heart.
