# Who Are We?

Rossendale Hospice is a local charity that cares for patients and their families living with cancer and other life-limiting conditions

## Conditions include:

- Cancer
- Motor Neurone Disease
- Multiple Sclerosis
- Chronic Lung Disease
- Other chronic conditions

## Our services include:

- Wellbeing (Day Therapy)
- Complementary Therapies
- Psychotherapies
- Bereavement Counselling
- Befriending Service

We also offer our renowned Hospice at Home service for those seeking comfort and dignity in their time of need

# How Do We Work?

Our services are offered across Rossendale free of charge. We believe no one should be except from quality care and treatment

Our running costs are on an average **£1 million** per year

**Only 25% of that is covered by funding.**

The other 75% is achieved through fundraising, donations and sponsorship.

**That's where you can help**

# Why Help?

Supporting a charity is great for business

## **TAX RELIEF:**

**Gifts of money** to UK charities by companies are made from pre-tax profits. The gift is treated as a charge on income

**Gifts in kind.** If your company donate items that they would normally sell, they are not counted as a sale, so your company can get tax relief on the cost of the article.

## **BOOST EMPLOYEE MORALE:**

**Encourage your staff** to get involved in fundraising for a local charity. This is a great team builder and is proven to show you care about their personal development

**Match funding** is a great incentive and certainly helps staff feel positive about their employer when fundraising for a local cause.

## **CORPORATE SOCIAL RESPONSIBILITY:**

**Show your clients you support them** through us by linking your company with a charity with a heralded community reputation and a warm relationship with the local press.

Video Productions

*"Our dedicated team film at fundraising events to help capture how others can raise funds for Rossendale Hospice. We love to film and showcase patient testimonials about the care and support they have received at the Hospice. It's vital in helping dispel fears when hearing the word Hospice"*

# How Can You Help?

## DONATIONS:

Goods, money, time. One offs or on a regular basis.  
Expand this out to your employees too for further reward.

## BESPOKE SPONSORSHIP:

Tailored to you and your business capacity, you can sponsor on a small or medium scale. From eggs at Easter, to high end auction prizes to sponsoring an entire event, we can work together on a package that works for you.

Your contribution will be appropriately reflected on our website, print and social media to thousands of supporters.

## CORPORATE PATRONAGE:

Make a long term commitment to Rossendale Hospice and become a corporate Patron like Woodcocks Haworth & Nuttall Solicitors who have raised thousands of pounds for the Hospice over 17 years. It's an integral part of their brand image and community reputation and it could be for you too.
