

Terms & Conditions

Participants must be 18 years or older. Please bring ID with you on the day as you may be asked to confirm your age and identity at registration. No alcohol will be served to anyone without an event wristband, which has your unique walker number information on. The wristband must be intact and attached to your wrist throughout the event.

The gin tasting will be served in 47ml tasting glasses of which one will be provided to you at the start of the walk. In order to reduce the use of plastic we ask you to keep this glass throughout the experience. Gin will be provided mixed with a mixer of the sponsors or venues choice. You are guaranteed to taste gin samples in all 10 pubs and will include a select gin from the confirmed sponsors. Rossendale Hospice takes alcohol consumption at events seriously and therefore recommend you make arrangements to be dropped off at the start of the walk and make your own arrangements to get home safely and responsibly at the end of the event. Please pre-book taxis in advance where necessary.

This event is to create a fun and enjoyable experience for everyone taking part. Any persons who are exhibiting drunk and disorderly behaviour will have their wristband confiscated and be asked to leave the event. This event takes place in a public area and we therefore are not able to be responsible for the actions of the general public in these areas. Rossendale Hospice does not take responsibility for any loss or damage whilst participating in this event. You will be responsible for your own safety throughout.

If social distancing is still required by the time of the event, masks will be required throughout the event. Exemptions will be given to those who are wearing their lanyards for medical reasons.

Refunds will not be provided, unless in the event of a lockdown and the inability to postpone or reschedule this event. There will be no option to transfer tickets to another person or send someone in your place.
